Short Description

TI-Nspire™ CX Premium software combines the features of TI-Nspire CX II-T CAS and provides the ability to take student engagement to the next level.

Description

Maximise lessons and learning time

Create, customise, organise and share TI-Nspire™ documents and manage classroom activities by sending content to multiple student handsets simultaneously. Use the TI-Nspire™ Docking Station to quickly transfer documents to up to 10 handsets simultaneously.

The premium software includes the same maths, science and statistics applications found in the TI-Nspire™ CX series handsets: Calculators, Graphing, Geometry, DataQuest™, Lists and Spreadsheets, Data & Statistics, Note Taking, Programming with Python and TI-Basic.
