

Adhesive Display Frames A4 White

Product Images

Short Description

Lightweight and robust display frame for easy mounting on any smooth surface, tool-free adhesive mounting, made of unbreakable ABS plastic, size A4.

Description

The display frame is made of high quality ABS plastic, which is highly resistant even in case of falls. Placement is easy thanks to the self-adhesive surface on the back of the display - the base can be any smooth surface. Its design is also suitable for administrative buildings, ideal for labelling shelves, cabinets, doors, etc. It opens on the shorter side. White colour.
