

Hanger Pockets A4x5 Blue

Product Images

Short Description

A practical solution for displaying all kinds of documents and protecting them from dust and moisture splashes. No screws, nails or cellular tape to transfer and display information. Steel wire frame makes the pocket almost unbreakable.

Description

Whether it's ISO documents, quality information, timetables, prices or home menus - there are endless uses for the hanging pockets.

Anti-reflective 110 μ PVC pockets with reinforced steel wire frame. Can be used in factories, workshops, shops and offices. Integrated chrome-plated metal hanger. Opening on the short side.
