

Fellowes Shredder 3250HS

Product Images

Short Description

The Fellowes Fortishred 3250HS High-Security Shredder has a powerful and continuous motor for uninterrupted shredding. The shredder can quickly shred up to 5-7 A4 sheets at a time and has an extremely high security level

P-7, which means that each A4 sheet is shredded into tiny confetti pieces (about 15,000 particles) in the size of 0.8 x 5 mm.

Description

The shredder is equipped with the "Safety Protection System", which is an electronically controlled and transparent safety shield in the paper entrance, which automatically stops the shredding when the machine is opened. Moreover, the machine can indicate its capacity throughout the shredding process thanks to the "Sheet Capacity Sensor", which corrects overfilling and paper jams in the tray.

Additional Information

Colour	Black
Brand	Fellowes
User type	5 to 10 Users
Capacity	5 Sheets
Runtime	Continious
Type	Shredder
Product series	Fortishred
Bin Size	100 Liter
Cutting type	Mini Cut
Security Class	P-7
Shreds	Paper
Functions	Auto Shut Off
Strip Size	0,8 x 5mm
Input type	Manual
Vendor SKU	4617201
Sales Unit	ST
TARIC Code	84729080
Country Of Origin	DE
Volume (M3)	0.23285
Weight (KG)	48
SKU#	114106
GTIN	043859648818
