Product Images

Short Description

Fellowes shredder ideal for shared working environments with 10+ users. Shreds 30-32 sheets of paper per pass into 4 x 30mm cross-cut particles (security level P-4).

Description

100% Jam Proof system eliminates paper jams and stands up to tough jobs.

SafeSense® technology immediately stops document shredding when hands touch the paper feed.

Energy saving system reduces energy consumption during use and switches off the machine after periods of inactivity.

Auto-Oil mechanism automatically lubricates the blades to improve performance and extend the life of the shredder.

Continuous duty motor for continuous shredding.
