

Shredder Fellowes 225MI Black

Product Images

Short Description

Powerful, high-performance shredder with a range of smart features including 100% jamproof and SilentShred. Ideal for offices with multiple users.

Description

The Fellowes Powershred 225Mi shreds 16 to 18 sheets at a time into 2x12mm shreds, security level P-5. 100% Jam Proof technology, which automatically detects the number of sheets fed into the shredder, to prevent paper

jams. If fingers come into contact with the paper opening, the shredder stops automatically. SilentShred technology minimises noise levels in shared workspaces. The Energy Saving System minimises energy consumption during operation and puts the shredder into sleep mode when not in use. The Fellowes 225Mi can shred continuously without overheating and can shred CDs, credit cards, paper clips and staples, and paper.
