Description

The KOZO Premium squared notebook is definitely one of the best looking notebooks on the market. With its hard cover, covered in high-quality 100% cotton canvas, it is perfect to write in even when you have it lying on your lap or are standing up. All 160 pages (80 sheets) are lined with 0.5 cm squares and have blank margins for your small notes. In addition, each page has a special place for today's date at the top. The cream colored 100gsm FSC paper gives a luxurious feel and prevents ink from bleeding through to the next page. With beautiful details in bronze, the notebook also becomes a natural decoration detail on your desk. Match with other KOZO products in the same color for a stylish look.
