

Meadow A5 2025 Planner Sky

Product Images

Short Description

The Meadows Sky Planner is a stylish A5 planner that contains everything you need to get through your day in style. It features a beautiful cover, a matching ruler and stickers, monthly tabs and much more.

Description

Create a harmonious and inspiring everyday life with the A5 diary from the Meadow Collection. The calming colour palette and eye-catching pattern bring a sense of calm and balance, perfect for helping you take control of your daily life. Containing one week per spread pages with space for notes and to-do lists, printed on 100gsm fountain pen friendly paper and is compatible with A5 notebook refills and accessories. Please note that the dated pages cannot be removed, but the undated pages can be moved around as much as you like.
