

Fellowes Fortishred Shredder 3250SMC

Product Images

Short Description

The Fellowes Fortishred 3250SMC P6 is a safe and powerful shredder, ideal for both businesses and individuals. It can quickly shred up to 8-10 A4 sheets at a time and has a security level of P-6, which results in extremely small pieces (approx. 6,000 particles per A4 sheet, 0.8 x 12 mm).

Description

The Fellowes Fortishred 3250SMC is a powerful shredder with 230 V power capacity, designed for continuous use. It micro-cuts paper quickly, protecting your confidential information.

The machine has a 'Safety Protection System' with a transparent safety shield that stops operation when opened. It is also equipped with a 'Sheet Capacity Sensor' that monitors the capacity and prevents overfilling or paper jams. It has a compact size (92.6 cm high, 49.5 cm wide) and weighs 48 kg, making it easy to place. The packaging on delivery is 77 cm deep, 129 cm high and 76 cm wide, with a shipping weight of 68 kg.
