

Fellowes Laminator Saturn A3

Product Images

Short Description

Laminating machine from Fellowes is perfect for smaller offices. Both cold and hot lamination.

Description

The former Saturn 3i now comes in an updated version, with even better performance. Fellowes Saturn A3 is a laminator for use in small office environments. Includes starter kit with a 10pcs 80m pouches and a cleaning sheet. Ready to laminate in just 60 seconds with InstaHeat Technology. Laminates documents and photos in 80 - 125 micro (Photo Capable). Lamination speed of 50 cm per minute. Laminator feed sensor indicates when a document has been misfed and stops the laminating process, allowing the pouch to be released and realigned. Automatically shuts off after 30 minutes of inactivity. For optimal maintenance of your laminating machine, we recommend regular use of cleaning sheet. Item: 105 x 436 x 139 mm

Item Weight (kgs): 2,25kg

2 Year Warranty
