Description

LX220 Mini-Cut Shredder from Fellowes

This P4 shredder with long run time and 100% Jam-Proof Technology is developed for small/medium size offices with a large need of shredding and extra fokus on security.

Shreds 20 sheets per pass into very small 4x12mm mini-cut particles (Security Level P-4)

Runtime 30 min/cool down 15min. Recommended daily usage up to 1000 sheets

Shreds staples, paper clips and credit cards. Will not shred: Adhesive labels, continuous form paper, transparencies, newspaper, cardboard, CD/DVDs, laminates, file folders, X-rays or plastic other than noted above.

SafeSense® Technology stops shredding when hands touch the paper entry. Intellibar™ responsive technology provides in-use feedback that maximises shredder performance – preventing interruptions by indicating when bin & sheet capacity is nearing the limit, or the run time is close to being reached

30 litre pull-out bin which is easy to empty
