

Fellowes Lamninator Venus A3

Product Images

Short Description

This is the laminator for the large office with an extensive need to quickly laminate in high quality. Laminates an A4 in 10 seconds! Can also cold laminate.

Description

A3 laminator Venus 2 from Fellowes is the laminating machine you choose for the combination of high speed and high quality.

Can also cold laminate. Includes starter kit with a 10pcs 80m pouches and a cleaning sheet.

Pro-setting allows user to prioritise best quality or fastest speed according to individual needs.

Ready to laminate in as little as 30-60 seconds with InstaHeat Technology and can laminate all pouches up to 250 microns (2x250).

AutoSense detects pouch thickness and self adjusts to the optimal laminating setting.

Advanced Pouch Tracking System detects potential paper jams and automatically reverses, allowing the user to re-align the pouch.

Feed IQ system indicates to the user when the next pouch can be inserted.

For optimal maintenance of your laminating machine, we recommend that you use the cleaning sheet.

Item (cm): 12.90 x 53.90 x 20.80

Item Weight (kgs): 6,8 kg

2-year warranty.
