

Footrest Microban Black

Product Images

Short Description

Adjustable footrest from Fellowes with built-in Microban protection which inhibits the growth of bacteria and increases the lifetime of the product.

Description

Avoid leg and back pain with this Fellowes footrest. This model can be adjusted in height as well as change

inclination. Can also be put in free-play so the platform can be rocked back and forth, which increases blood circulation. Can be easily adjusted by pressing with the foot to the desired position. Built-in antimicrobial microban protection which inhibits the growth of bacteria.

Platform size: 44.4 x 33,30cm
Height adjustments: 10.8/12.7/14.6cm, Incline range: up to 30° (Approximate)
Item H x W x D (cm): 11.11 x 44.45 x 33.34
Item Weight (kgs): 1.91
Accredited against BS EN ISO 9241 by FIRA international, an independent Ergonomic Accreditor.
