

Adhesive Mounting Putty 60 Gram White

Product Images

Short Description

Self bonding plastic substance, used for various temporary bonding.

Description

Adhesive Strip is a self bonding plastic substance, used for various temporary bonding.

It is suitable at home, in the office and in school, for bonding posters, postcards, memos, maps, calendars, decorations etc to walls, doors and windows.

The product is also suitable for fixing keys, pens, needles, tools – and can be shaped to various figures! Only the imagination draws a limit. The strip can be used several times. Shelf life: Minimum 2 year in tightly closed packing if stored cool.
