

Jalema Grip Presentation Rail 1200mm Silver

Product Images

Short Description

Jalema Grip is a smart and simple presentation rail in aluminium.

Description

Had enough of overflowing memo boards, chaotic bulletin boards or cluttered notice boards?

The Jalema Grip is a convenient and efficient way to expose all documents.

All types of paper can easily be inserted behind the rollers of the Jalema Grip. Once inserted, the sheet won't fall out. And by pulling the sheet of paper towards you at a 90 degree angle, the paper can be removed without being damaged.

Material: Aluminium

Attached: Screws or self-adhesive

Examples of use:

Restaurants: Food orders

Conference rooms: Flip chart sheets and information

Office: Memos and info bulletins

School/pre-school: Food plans, drawings and posters

Production: Time sheets, schedules and production statistics.

Architectural firms: Building drawings and sketches

Advertising agencies: Presentations and ideas
