

Clipboard A4 Aluminium

Product Images

Short Description

Clipboard A4 made of aluminium and polypropylene composite that is up to 30 % lighter than aluminium. Made from 80% recycled aluminium and PP.

Description

A clipboard holder as thin as it is light for elegant note-taking. Made of aluminium and polypropylene composite that is up to 30 % lighter than aluminium. Surface protected from daily wear and tear. Its size, studied to support the

wrist, allows you to take notes all the way down to the bottom of the page, whether in portrait or landscape position. Made with 80 % recycled aluminium. Can be held vertically or horizontally. Two pen slots. Hanging hole.
