

Tarifold Magnetic 4-Ring Display Binder

Product Images

Short Description

Magnetic binder with a 4-ring binder mechanism. An elegant and practical display for centralizing large amounts of information. Very light and can be used on whiteboards or any metal surface.

Description

Stand with magnetic back for displaying large quantities of easily browsable and removable documents equipped with a large support surface and pen holder. Equipped with 4 standard rings, it can be used with punched envelopes, punched sheets or the specific Tarifold reinforced envelopes with magnet. Can be used on metal surfaces, such as clipboards, or even on magnetic boards.

For A4 documents.

Holds up to 1.5 kg of document.

Dimensions: 310 x 320 x 53 mm.
