

Magneto Frame Repositional Adhesive A3x2, Silver

Product Images

Short Description

Two-sided A3 frame with a repositionable adhesive back. Can be placed on most smooth and clean surfaces and are easily moved if needed without leaving traces.

Description

Magneto from Djois by Tarifold is an efficient and easy way to share information. With the repositionable self-adhesive back this display frame can be attached to most smooth and clean surfaces and moved around as needed. They are easy to put up and can be used both vertically and horizontally. The front has magnets at the edges, which make it easy to insert and change content. Recommended for: Opening hours, promotional offers, menus or other messages to be shared with customers/visitors. Magneto is typically used at offices, receptions, schools, restaurants and other places where information needs to be shared and easily accessible. Available in several formats, colors and sizes.
