

Magneto Frame Repositional Adhesive A5x2, Silver

Product Images

Short Description

Two-sided A5 frame with a self-adhesive back. Can be placed on most smooth and clean surfaces and easily moved if needed without leaving traces.

Description

With the self-adhesive backing, this display frame can be attached to most smooth and clean surfaces and also moved as needed. The front has magnets at the edges, which make it easy to insert and change contents.

OTHER BENEFITS OF MAGNETO:

Magneto from T3L is both an efficient and easy way to share information. They are easy to set up and can be used both vertically and horizontally. The simple opening makes it easy to change the content quickly and without problems.

Typical uses are opening hours, promotional offers, menus or other messages to be shared with customers / visitors. Magneto can be used to advantage in most places such as offices, receptions, schools, restaurants and other places where information needs to be shared or easily accessible. Available in several formats, colors and sizes.
