Product Images

Short Description

Cleaning cushion containing 120 g of fine MILAN eraser dust. Developed for the cleaning and restoration of documents and works of art.

Description

Cleaning cushion containing 120 g of fine MILAN eraser dust. Developed for the cleaning and restoration of documents and works of art. Instructions: 1. Squeeze and gently shake the bag until the eraser powder is released. Form a fine layer over the area to be cleaned. 2. Spread the powder around in gentle circular movements with a soft brush. 3. Remove the eraser powder from the cleaned surface. Supplied in a cardboard box measuring 115x65x35 mm.
