

Marking Tape Rolls 33mx50mm, Red

Product Images

Short Description

Safety tape is a simple and good solution that ensures a clear, safe and durable floor marking indoors. Optimum visibility thanks to high-contrast colors.

Description

Safety tape is a simple and good solution that ensures a clear, safe and durable floor marking indoors. Optimum visibility thanks to high-contrast colors.

Can be used to mark work areas, corridors, footpaths, emergency exits, thresholds, steps, etc.

The tape is washable and therefore resistant to water and cleaning agents.

Strong 150 µ vinyl marking tape.

Size: 50 mm wide roll with 33 m of tape.
